

Welcome Email for CBD Brand

Subject Line: Your “Success with CBD” report is arriving!

Hey Stephanie,

CBD Brand here... we just want to thank you for claiming your “Success with CBD” report.

In this report you'll learn all about the various ways CBD has helped people manage their stress, anxiety, and even joint pain and how it can help you too.

And because you've taken this first step in educating yourself about the healing benefits of CBD to help improve your life, we'd like to share more of our best stuff with you if that's cool?

Here's what that looks like...

We like to email about once per day.

Only because we LOVE talking about CBD and we love sharing it with you! Because we know how much it can improve your well-being!

These emails are 100% dedicated to informing and helping YOU live your best life with CBD by your side.

What's in these emails?

It could be a link to a new article we just posted, a review/testimonial from one of our customers about how it's impacted their lives for the better, or new research in the CBD field.

If you're not cool with that... or ever want to unsubscribe from our list, just use the link at the bottom of this email at any time.

No hard feelings if you do :)

Now then... in the meantime, would you mind doing us a favor?

Can you just hit the REPLY button to let us know you got this email?

Just say “Got it” so we know you got it.

(I want to make sure this email actually got delivered, so you can get the report.)
